AMS Presents

- AMS' patented Sensit[®] guaranteed product delivery system.
- It's a combination snack and cold beverage merchandiser.
- Visi-Combo has five trays. Three trays for popular snacks, and its two beverage trays can hold a total of 96 twenty-ounce bottles.
- Expands your market to include single machine budgets (now they don't need two).
- First-in, first-out product rotation, and like our other indoor vendors, Visi-Combo, is available in 35" and 39" widths.
- 1/2 plus HP refrigeration (3-year warranty) with heated triple-pane glass, and Visi-Combo, like all AMS merchandisers, is fully foamed in place with polyurethane foam.
- Interchangeable parts. It has the same cabinet as AMS' other indoor vendors.

This vendor and/or certain of its components are covered by one or more of the following U.S. patents: 6,041,962; 6,145,699; 6,202,888; 6,384,402; 6,794,634 and other U.S. and international patents pending.
