QUANTUM RECHARGED

PRECISION TRACKBALL & LOOP-BASED COMBAT

Fast, responsive trackball controls challenge players to maneuver around enemies and draw precise loops to eliminate threats and build their score.

RISK, SPEED & STRATEGIC ABILITIES

Quantum Surge, Dash, and Entropy Bomb abilities reward aggressive play, quick reactions, and calculated risk-taking for bigger scoring opportunities.

CONNECTED MLES COMPETITION

Integrated Major League eSports (MLeS) lets players chase high scores, climb leaderboards, compete in tournaments, earn League Points, and unlock achievements.
