Angry Birds Coin Crash

The most innovative new game of 2021. Major WOW factor!

1. First ever stacked coin tower concept for the U.S.
**2. Highest-earning category of arcade games.**
3. World-renowned, all-ages IP.

Angry Birds Coin Crash is built for mass appeal and creates a level of excitement that keeps players glued to the game. Players work to build their tower of coins so they can crash it over the edge for a massive ticket win. Entertaining at every turn with multiple opportunities to win tickets, the impressive tower builder mesmerizes players, and unlike other pushers that feature collectibles, Angry Birds Coin Crash is self-contained with nothing to restock. Small footprint, built for massive revenues.
