

Flexible

Payment options that fits your customers needs, options like Credit/Debit/Coin/Bills/contactless & Mobile.

Partner

We pay all credit card transaction fee's & keep your machine fresh & exciting by managing the game library, adding new features. Also rotate out unplayed games.

Challenge

With just an email players can create accounts to track scores & save game time credit.

Our leaderboards display top score for games by location/ state & nationwide.

Also great for locations to create their own monthly high score contest to drive gameplay & sales.

Beacon

Your location will be promoted on website maps & social media as a Polycade gaming location.

Modern & Retro

Something for everyone over 100 titles in our growing library that rotates games in & out to keep your machine fresh with new titles.

Service

Machines are commercial grade, built to take a beating. Things wear out eventually though, and when that happens we're here for you.

Most issues can be fixed remotely by our tech team. If parts need to be swapped, we can help diagnose the problem and get your machine back up and running.

Photobooth

On our Squadcade, Lux & Lite models they have a built in camera that customers can take pictures to save & post on social media.
