

KREA TOUCH

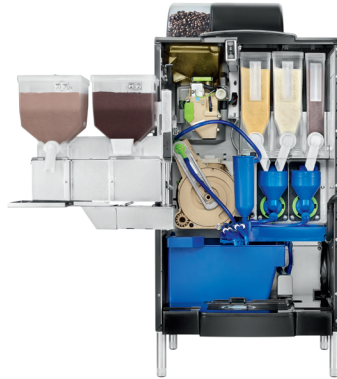

Necta

KREA TOUCH: DISTINCTIVE, MODERN, ELEGANT

Krea Touch is the most technologically advanced and elegant model of the Necta family. Appealing design, decorative LED lights, chrome frames, shiny black surfaces and unrivalled performance make Krea Touch the ideal solution for any coffee environment. The wide touchscreen and the user friendly interface allow a high number of selections, flexible and customized recipes management, customers branding and even promotional videos management.

TECHNICAL INNOVATIONS

- 7" HD Touchscreen
- Z4000 brew group for espresso and regular coffee
- Optional LTE Connectivity
- Flexible recipes customization
- Wide and easy to clean cup room
- Reliable internal components
