

Description:

The IFSM, In-line Free Standing Merchandiser, is 78" tall, with a 5" valance. The IFSM features a full-height slat wall, sturdy plywood frame construction, a 12" finished base, 3/4" side walls and full top panel. This merchandiser has multiple hardware packages to amplify your merchandising opportunities. Hardware packages include baskets, slat wall hooks, and adjustable shelves. LED lighting can easily be incorporated behind the valance to illuminate your display. The IFSM ships fully assembled.
