

**DISCOVER  
DRAFFT<sup>®</sup>  
FRESH PREMIUM  
ON DEMAND  
BIB COFFEES  
AND TEAS**

**DELIVER TEMPERATURE  
CONTROLLED FRESH  
COFFEE ALL DAY EVERYDAY**

Created with 100% Arabica customized propriety ingredients. Optimizing the flavor components of brewed coffee, this cup presents the color, body and gloss of traditionally perked coffee in an “On Demand” liquid concentrate format. Capturing the full flavor, freshness and aroma of brewed these products offer consistent quality, low labor cost, no waste or prep time and is always fresh and ready with a six month ambient shelf stable life.

**BREWED TEA**

Brewed from the finest Indonesian tea leaves, this tea is sweet and aromatic, with notes of wild flowers and dried figs.

**PREMIUM DARK ROAST**

Drafft's Dark Roast coffee is our best selling variety; popular for its bold, smoky flavor, full body, and rich, classic diner-style taste and almost black in color.

**COLOMBIAN BLEND COFFEE**

Drafft's Colombian Blend coffee is brewed to accentuate the complex flavors and notes found only in the Arabica beans grown in Colombia. Pronounced chocolate and nutty flavors balanced with mild acidity and spicy aroma.

**DARK ROAST DECAFFEINATED**

Drafft's Dark Roast Decaffeinated coffee is brewed with Colombian beans and is known for mild acidity, clean finish, and a rich medium body. Delivers all the coffee flavors you come to expect from traditional Colombian coffee.
