

GOATZ-N-ROPE

See you at the top!

Sven and Lars the goats are on a mission to race up the mountain. In this multiplayer game players race each other and time to win the big bonus.

Players pull the infinity looped rope to trek up the side of the mountain. As you climb higher, avoid the rock cliffs by jumping from left to right. Use the jump buttons to successfully navigate side to side across the three on screen ropes.

As players reach the summit, the Yeti is the only obstacle left. Watch out for snowballs and collect the tickets at the top. To win the big bonus race against the clock and summit in record time!

Will you be the G.O.A.T.?
