

# IT'S TO DIE FOR...

LIQUID DEATH™ is a fast-paced arcade game where players use their taps to serve up Liquid Death to thirsty customers. Compete to fill glasses to the perfect level-but don't spill! Satisfy everyone in line or die trying.

LIQUID DEATH™ is a Family Entertainment Center-focused game sporting a massive 65" 4K screen, mesmerizing and reactive LED tubes, internal rumble motors, and specialized joysticks that pour pure excitement into every play. The game offers ticket redemption or point-only modes, featuring vibrant, animated characters and a "Perfect Pour" bonus system. With its eye-popping artwork and dual-player setup, LIQUID DEATH™ turns heads and keeps players slamming digital drinks all day long.

ALAN-1

# Liquid Death

LIQUID DEATH™ arcade game from Alan-1 features:

- Officially licensed-exclusive to arcades
- An impressive and unique cabinet that stands out in every venue
- Enhanced graphics with a scene from the LIQUID DEATH™ Country Club
- Two player stations, each with 4 LIQUID DEATH™ branded tap handles
- Mesmerizing RGB LED “fill up tubes” that light up when a tap is pressed
- Physical Effects: Two rumble motors under each player station
- 65” 4K UHD screen
- 2.1 channel audio system
- WIFI online integration with MLeS tournaments and global leaderboards
- eTicket redemption support
- Bill acceptor or card swipe ready

Standard model, and SUPER DELUXE model with back lit side can displays.

Every LIQUID DEATH™ arcade cabinet has Major League eSports (MLeS) built in, automatically connecting players to global leaderboards, achievements, daily tournaments, and Alan-1's annual MLeS World Championships. Every game played on the cabinet contributes to player rankings and competitive progress a reason to return and improve.
