

CLASSIC BOWLING

Classic Bowling is just like the traditional bowling you love to play. Enjoy the thrill of splits, spares and strikes! Classic mode has LED-lit pins, and the ability to play with up to 4 players.

NEON BOWLING

Throughout all the mini-games there is a chance for multipliers and free balls.

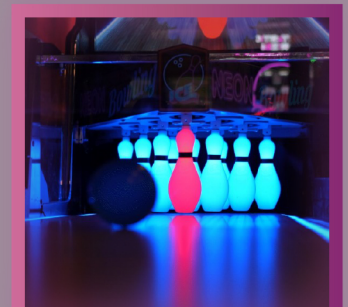

Triple Strike

The goal of this mini-game is to get a "strike" on all 3 rolls. On the first throw the player will have to knock down the first 3 pins, on the second throw 6 pins and the third throw all 10 pins.

Time Your Shot

In time your shot you need to aim for the pin that is lit up blue. The blue pin changes every two seconds.

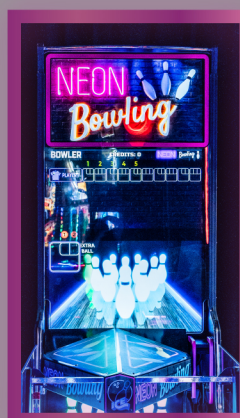

Red Pin Challenge

In Red Pin Challenge the player must avoid hitting the red pin while trying to knock down blue pins. Players are given 2 tries to knock down all the pins without hitting the red pin.

FEATURES

Neon Bowling gives you plenty of options to let players play and pay how they want to. Neon Bowling allows up to 4 players at once and amount of frames per player is operator adjustable.

75" HD monitor protected by 3/8 polycarbonate (the same material as riot shields and bank windows).

Bring the lanes to life with vibrant, glowing features, including light-up pins, illuminated gutter rails, a glowing ball dispenser, and a brilliantly lit podium.
