

HOW TO PLAY

MAIN SCREEN

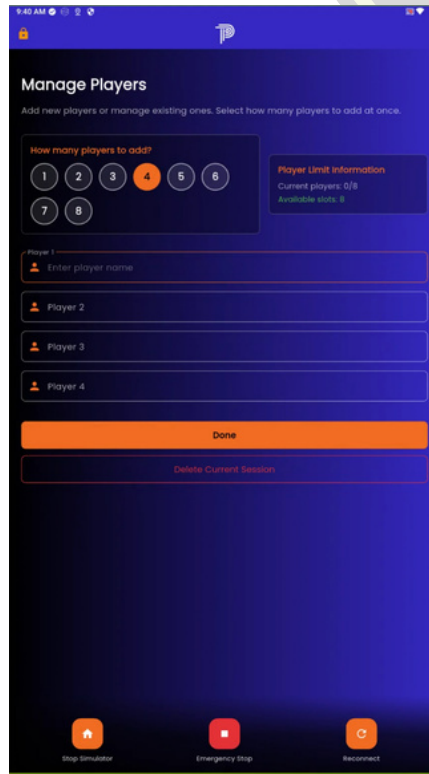

Here you can select your game mode option of:

- One player
- Two player
- Tournaments
- Fitness

You can also manage players here to enter the # of players and their names.

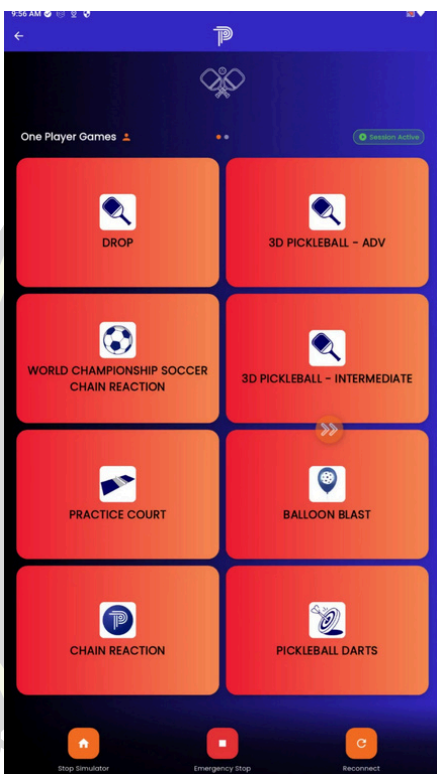

MANAGE PLAYERS

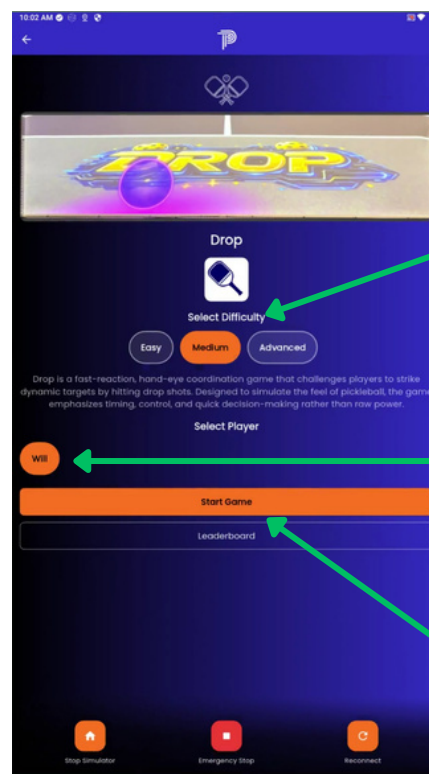

Select the # of users playing and enter each name.

Players must enter a name to be tracked on the leaderboards.

GAMES

Once players have entered their names and chosen their game mode, they can select from a variety of performance and arcade-style games.

Players then select:

Their desired level of play.

The name of the player playing this round.

Then hit "Start Game".
