

SMART INDUSTRIES

THE ORIGINAL

TICKET TIME[®] RELOAD EXTREME^{RX}

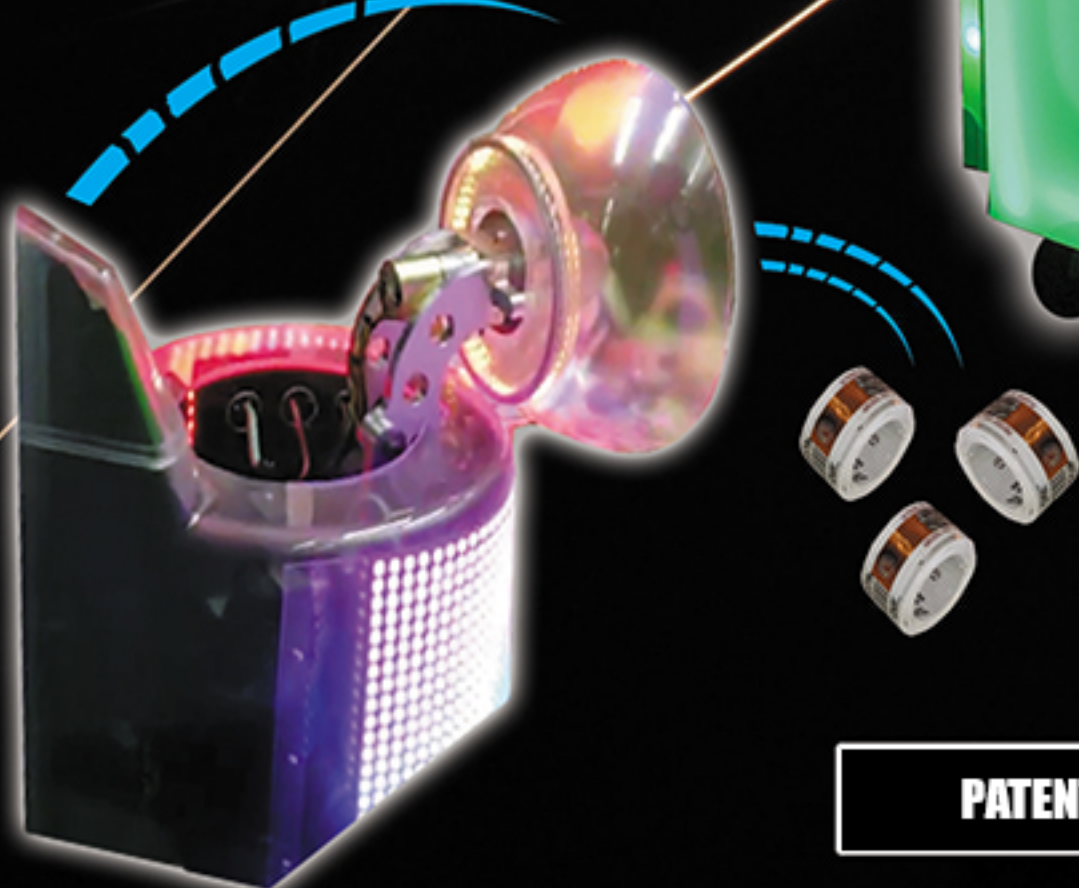

Everything you love about Ticket Time[®] plus exciting new features.

Optional video monitor adds to the excitement with **animated screens** and **sound effects!**

Programmable LED grid on the ReLoad bowl/stand displays different messages!

Unique spinning bowl scans ticket rolls quickly, puts the values on a player's card and dumps the rolls back into the game with the **Auto ReLoad system.**

No more manual re-loading ticket rolls! Operators save time and players keep playing.
