

Engage Combo Card Reader

Expand your cashless possibilities.

The Engage Combo is an all-in-one card reader and telemeter with a vibrant 2.5-inch color touchscreen. It's simple to install directly over your existing bill acceptor – enabling you to accept cash, debit, credit, and various contactless and chip EMV payments.

The ePort Engage Combo will transform how you do business.

Cantaloupe's edge-to-edge touchscreen card reader will level up your cash and cashless payment transactions. When you have limited space to install a new card reader, this is the best option on the market. The Engage Combo will immediately upgrade how you accept payments with quick and easy installation over your current device.

Includes

- All-in-one card reader + telemeter
