SAFETY INSTRUCTIONS

*** WARNING! ***

BEFORE SETTING UP THE GAME, PLEASE READ THE FOLLOWING INSTRUCTIONS.

*** WARNING! ***

FAILURE TO FOLLOW THESE DIRECTIONS MAY RESULT IN DAMAGE TO THE GAME.

NOTICE FOR INSTALLATION

- This machine is for indoor use, and is not suitable for outdoor use.
- After the machine is completely set up, please make sure that the machine is securely and safely placed level on the floor.
- Do not assemble or disassemble the game or move the game without using caution.
- Always switch off the power and remove the power cord before moving the machine.
- Place the game on a flat floor. Do not install on unsteady or locations which may become wet.
- Do not place the game near equipment or areas which are humid, flammable or of excessive heat or cold temperature.
- Do not place any heavy equipment on the top of the machine, or on top of the power cord.
- Do not expose the electrical circuit part of the machine to open air for a long time.

NOTICE FOR OPERATION

Before plugging in or turning on the machine, please check if the power plug and power cord are in good condition, and check that the voltage is set to the proper voltage that is suitable for your country.

Turn off the power before you check or inspect the machine.

Only qualified technicians are allowed to perform repairs or maintenance of the game.

Only authorized accessories and technical parts should be used for repair and maintenance replacement

Hold the plug (not the wire) to remove the power cord from the wall outlet.

Do not pull or twist the power cord and always power off the game before replacing fuses. Never plug in, or unplug the machine with wet hands.
