

Food machines are an exceptional addition to your vending portfolio of perishable food offerings. Whether providing food to those that cannot leave over lunch, or for locations that want the convenience of food where they live or work, the LTF is sure to feed your customers cravings.

4-Wide LTF

SCAN TO LEARN MORE

ONE SOURCE ALL SOLUTIONS

STANDARD DEPTH, EASY TO LOAD TILTING SNACK TRAYS

Trays pull out and tilt down for easy access while filling with your favorite snacks! Pull out beverage trays for easy loading.

DUAL-PANE HEATED GLASS

Significantly stronger than regular glass and more resistant to scratches and other forms of damage, increasing its overall durability.

DURABLE CABINET AND DOOR CONSTRUCTION

Ensuring long-lasting, robust vendor that can withstand everyday wear and tear, providing a reliable and sturdy merchandising solution.

HIGH EFFICIENT REFRIGERATION

The high-efficiency R-290 refrigeration system is a cutting-edge technology designed to provide exceptional cooling performance while minimizing energy consumption and environmental impact.

LED LIGHTING

Bright, long-lasting illumination while consuming significantly less power than traditional lighting sources, also producing less heat in the cabinet.

LED DISPLAY

High-definition, energy-efficient visual screen that produce vibrant, sharp images and programmable messages.

HEALTH AND SAFETY SOFTWARE

Health and Safety software meets all NAMA and government health standards.

ADA COMPLIANT CASHLESS LOCATION

Additional accessories can be installed allowing all individuals to make purchases easily and independently.

GUARANTEED DELIVERY SYSTEM

All vends are guaranteed with the proven technology, if not vended, a refund will be issued.
