Description:

The V-PME-XXXX-ADJ, Value Series Premium Merchandiser Enclosure with Adjustable width, is 92" tall, featuring two sidewalls that support an adjustable top header, and includes an X-MARKET vinyl sign. The adjustable header offers enhanced flexibility for your Micro-Market, enabling seamless customization to fit your unique space and customer needs. Its flexible width helps minimize downtime and simplifies updates as your market evolves. For convenience and cost efficiency, the fixture ships disassembled and is designed for quick and straightforward assembly on-site.
