V-IFSUMB-M-4878

Description:

The V-IFSUMB-M, Value-Inline Free Standing Undercounter Mobile Merchandiser is 78" tall with a 5" valance. The V-IFSM-M features a full-height slat wall, rigid mid shelf, sturdy plywood frame construction, and LED lighting located inside the header. With casters fixed to the bottom of this fixture, moving it to different locations can be done with ease! This merchandiser has multiple hardware packages to amplify your merchandising opportunities. Hardware packages include baskets, slat wall hooks, and adjustable shelves. V-IFSUMB-M ships fully assembled.

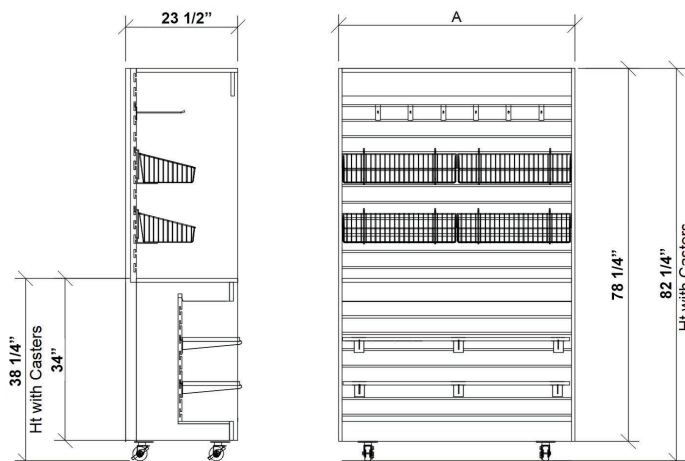

Value-Inline Free Standing Merchandisers -

A 78" tall merchandiser with slatwall above and below the laminate countertop

Order Process:

- Send PO or equivalent to Axis Sales Representative
- Determine payment method and terms (credit card, wire transfer, check)
- Receive acknowledgement and estimated ship date from Axis Designs
