Fallout™

PREMIUM EDITION

MAIN ATTRACTIONS

- In Fallout by Stern Pinball, players are thrown into the chaotic post-apocalyptic wasteland, only to discover that the end of the world is just the beginning. Through the chosen perspective of Lucy MacLean, The Ghoul, or Maximus, players can experience the unique set of playable side modes and features from each character while uncovering the horrors of Vault-Tec's past, present, and future.

- Players will battle wastelanders, level up S.P.E.C.I.A.L. (Strength, Perception, Endurance, Charisma, Intelligence, Agility, Luck) abilities, hack computer terminals with their Pip-Boy, and enter the vault during an action-packed adventure that brings the iconic legacy of Fallout to life.

- Collaborated directly with the Fallout show producers at Kilter and video game creators at Bethesda Game Studios, including director and executive producer Todd Howard, Fallout by Stern Pinball is anchored by visual elements instantly recognized by fans of the franchise.

- Featuring the Vault Boy, power armor, Nuka-Cola, Pip-Boys, Vault suits and other familiar creatures, the pinball experience integrates the incredibly distinct aesthetics of the post-apocalyptic wasteland for unrivaled visual authenticity.

- Further celebrating the iconic IP, the machines seamlessly incorporate footage from throughout seasons 1 and 2 of the TV series and content pulled directly from the Fallout video game series, along with custom call-outs from renowned actor Johnny Pemberton.

INSIDER CONNECTED™

Utilizing Stern Pinball's award-winning Insider Connected, Fallout allows players to track their characters' S.P.E.C.I.A.L. stats across games. Players can track their junk collection as they search the Wasteland.

GAME FEATURES

Fully interactive Pip-Boy playfield LCD, in collaboration with The Wand Company, displays real-time gameplay information and instructions to the player.

Multi-Axis Fat Man pinball launcher lets the mini-nukes fly! Players can utilize the Vault-Tec Assisted Targeting System (V.A.T.S.) to automatically control their aim and defeat their foes.

Wasteland Shooting Gallery lets players take aim with their Fat Man launcher and battle Radscorpions (Optical Spinning Target), Ghouls (Flyaway Target) and Raiders (Flip-Flop Target).

Vault Lower playfield with "Magna-Flip ™" lets players uncover the true costs of Vault-Tec's social experiments.

Functional custom-molded Vault Door mechanically opens and closes to allow players to enter Vaults and explore underground unknowns.

Sculpted Deathclaw Bash Toy with Kickback Coil.

Industry-first Up/Down Vertical Spinning Nuka-Cola Bottle Cap Target. Target face is custom-molded to resemble a genuine Nuka-Cola cap.

3 Flippers (2 Standard + 1 'Mutated' Inverted Upper Flipper, not seen in pinball in over 75 years!).

The game integrates video clips from the original Amazon Prime TV series alongside custom animations utilizing Bethesda Game Studios game models and animations.
