# SRK2 Double Door AI Smart Cooler

Computer Vision

Connectivity

Flexibility

Security

Double your product offerings with increased double door capacity and reduce theft with AI-powered 4-camera computer vision technology.

## FEATURES

A secure unattended system, that is powered with the latest AI computer vision technology, allows you to sell anything, anytime, anywhere to help drive revenue growth.

- ✓ **AI-Powered Computer Vision** (4) cameras accurately track individual product purchases and significantly reduce theft.
- ✓ **Remote Management** of all sales, machine health & product inventory, along with different payment options (POS terminal or QR Code) for customers.
- ✓ **Flexible Settings** and AI Sensor Health lock allow for refrigerated options for a greater variety of products.
- ✓ **Double Doors** provide increased capacity and the ability to offer a wider variety of products for your customers.
