Step right up and experience this skill-based redemption, shooting gallery game! Inspired by vibrant carnivals, fireworks and fairground attractions, its colourful artwork, dazzling LED lighting and eye-catching centrepiece are designed to grab attention. Players use pneumatic carnival-styled rifles to knock down a variety of interactive targets, each delivering unique mechanical reactions including spinning, bouncing and falling effects. With up to 4 players competing head-to-head for the highest score and most tickets, Shooting Carnival combines skill, competition and spectacular presentation to create a thrilling attraction for players of all ages.
