

Spin-N-Win!

Bright, Bold and Beautiful!

Pull the handle and watch the lights go around the bright, colorful 6-foot dial. Hit the STOP button at just the right time to win big tickets! It's fun, easy and exciting for players of all sizes.

Recent updates include a vacuum form playfield for easy assembly and movement, addressable LED lighting that is brighter, more dynamic and offers more color options, and a new digital display in the center of the dial to help both players and operators.
