

PONG® Knock Out

LET'S BRING BACK THE MAGIC

Today with most entertainment products being quite isolating, this Atari Pong Table is an embodiment of turning back the time and bringing back the personal side of games.

Developed as a tribute to the Generation X and its most iconic game, this table brings together the high-tech mechanical engineering of today and everyone's beloved game from the '70s.

W - 1,500mm/ 59"

D - 1,500mm/ 59"

PONG® Knock Out

Enjoy the celebrated classic game with a modern twist!

The unique 4-player dynamic allows everyone to experience a strategic gameplay at the same time!

Retro sounds and neon lights bring back the magic for continuous play. If competing against 1 person was fun, try your skill at 3 or 4 all at once!

It will be a battle where you'll have a good time with family, friends or meeting new competitors.

PONG® Knock Out

The table replicates the same experience you may remember from playing the digital Pong back in the day. Loaded with retro sound effects, bouncing lights, and staying true to the original game mechanics

The table has built in LED display that doesn't only show the time, but also provides a gentle light for your room, when the table is not in use

A sleek overhead ultraviolet light, plus the new 4 drink holders on each corner will give your PONG 4 Player experience that cool night life feel

Built in LED clock

Drink holders on each side
