

THE HIGHEST EARNING DANCE GAME NOW BIGGER AND BETTER THAN EVER

Everything that players and operators love about StepManiaX is now available in a Deluxe cabinet, featuring more than triple the amount of lights and an incredible 8-speaker sound system!

Players navigate, select music, and adjust options with the large touchscreen display, making gameplay easy to start for all ages without wasting time in menus!

StepManiaX is built with modern hardware that requires minimal operator involvement, and free network connectivity keeps content fresh and players coming back for more.

GAME FEATURES
