

ICE.BALL FX™

ICE's new and improved version of the traditional alley roller!

NEW synchronized multicolor LED lighting effects that change as a group.

NEW 1/2-inch thick acrylic target cover instead of the old metal cages.

NEW coin door and ticket drawer system.

NEW style solenoid with horizontal guide pin for years of trouble-free operation.

NEW LED lighting in the target area replaces old style fluorescent bulbs and save on energy costs.

NEW front edge and door protectors to prevent denting and chipping.

Direct access to the power supply and logic board through the header.

Ball rail padding to eliminate paint chipping.

Padding added to the back panel and target area for a quieter game playing experience.

...and many more improvements!
