

IGT PeakSlant32™ Gaming Machine

Peak flexibility.

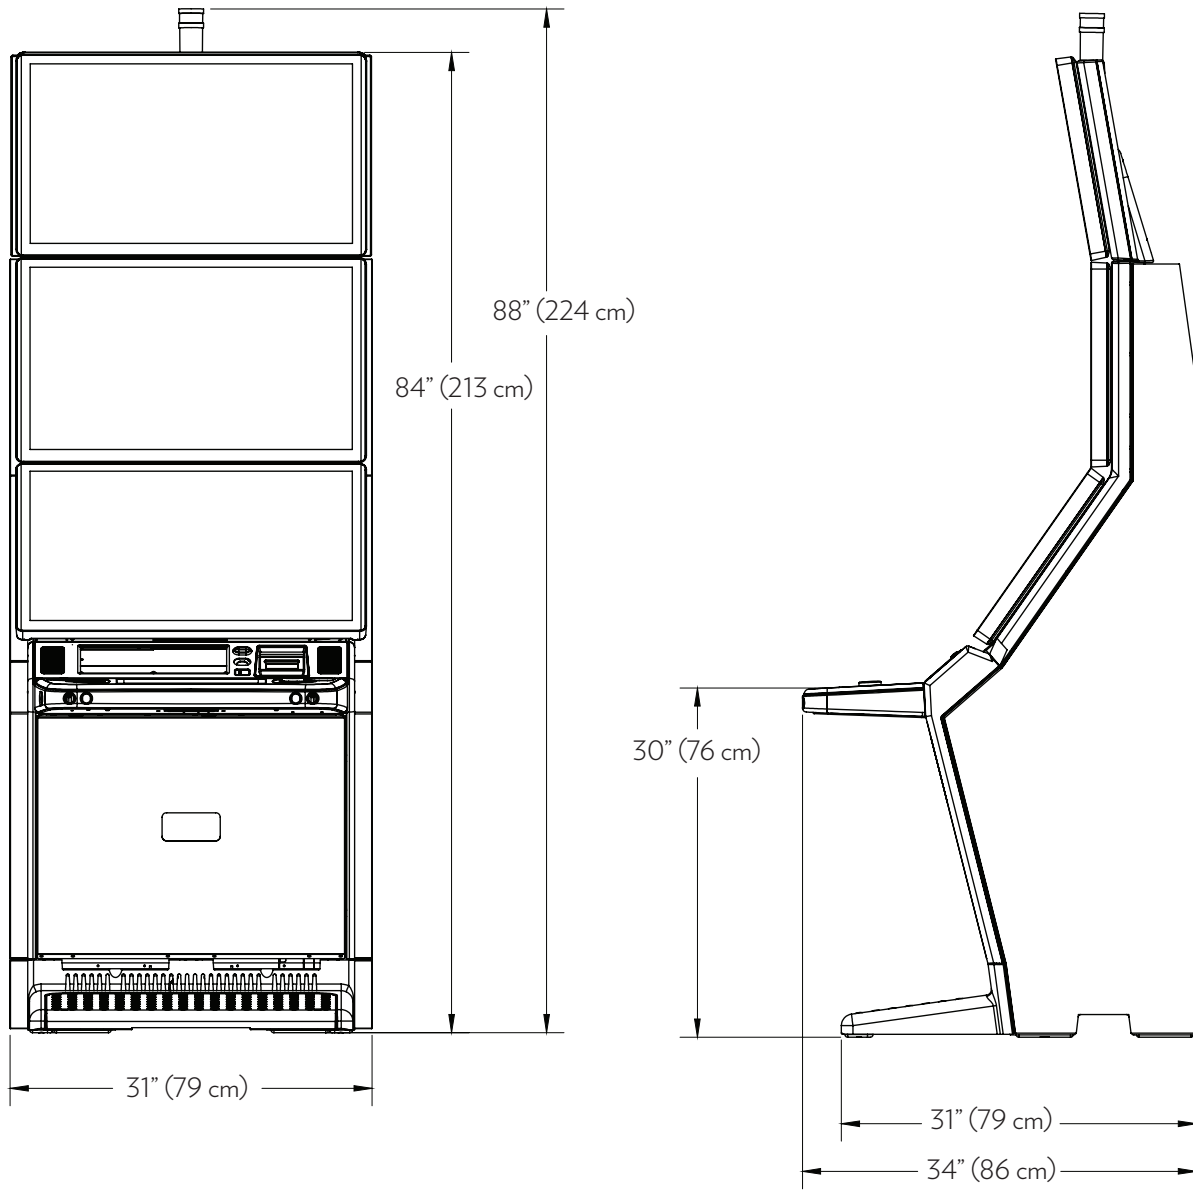

A captivating player experience is brought to life with the all-new PeakSlant32™ cabinet. Featuring three seamlessly integrated, 32-inch full HD displays and a more refined 13.3" Dynamic Player Panel, this cabinet is designed with versatility in mind and will take your floor to new heights.

- Three large LCD screens provide attractive merchandizing options and deliver an immersive player experience
- Compatible with a robust library of player-favorite themes
- Modern cabinet design with ergonomic comfort features and conveniences that attract players and increase time on device
- Superior serviceability and durability reduce strain on staff resources, minimize down time, and increase ROI
