## **NEW RUN IT LEAGUES**

**Free League Software That Will Change Your Route**

### **Create Your Own Golden Tee Leagues**

The ultimate way to grow your route and build player retention

### **Endless Customization Options Available**

You pick the players, course, stakes, locations, schedules and more

### **New Promotional Tools to Reach Your Customers**

Send screens directly to your game and messages to your league members

### **Incredible Technologies Does the Work for You**

You set the fees and dues, we do everything else at no additional cost

**Create It. Promote It. Run It.**

# MAXIMIZE CABINET EARNINGS WITH **SCORE IT**

## THIS ULTIMATE CONTEST CREATION TOOL

### Create Custom Tournaments and Contests Using ALL Your Cabinets

Who shot the most birdies in a given week?

Who has the most strikes or spares in a given month? SCORE IT knows!

SCORE IT can even be used to run national or state-wide tournaments!

### Powerful Data at Your Fingertips

You pick the cabinets, locations, criteria, and duration.

With a seemingly endless lineup of stats to sort, the possibilities are endless.

### Promote Your Contests with Start Screens and Leaderboards

Engage players before, during and after the contest begins!

These tools will equate to more play!

### Mobile, Mac and Windows Friendly

No Installation Necessary!

Easy to create and even easier to navigate.

Build and update contests no matter where you are.
