SuperBlaster! 2-seats is an interactive coin-op simulator with 65" 4K display, motion seats, wind, blasters, 5.1 sound, and Unreal-5 graphics. Designed with a smaller footprint and lower initial operator investment, it delivers the same premium immersive experience as its predecessor while offering a faster ROI in an attendant-free format.

HIGH IMMERSION AND QUICK ROI

SuperBlaster! 2-seats brings the same high-impact fun as the 4-seats, now in a more compact, cost-effective version. With thrilling motion, friendly competition, and a full library of content, it is the perfect solution for locations where space and budget are key. Triotech continues to expand the content lineup, ensuring long-term replayability and strong revenue generation, just like with Typhoon and XD Dark Ride.
