

ACE YOUR SPACE.

WHY VENUES NEED PLAYKOUT.

- Under-used floor space delivers zero revenue for venue owners.
- Consumers now seek active, experience-driven attractions that keep them onsite.
- Pickleball demand is surging, yet full-court size block venues from providing access to the game.
- Provide a signature amenity that signals innovation leadership.

REINVENTING

PLAY.

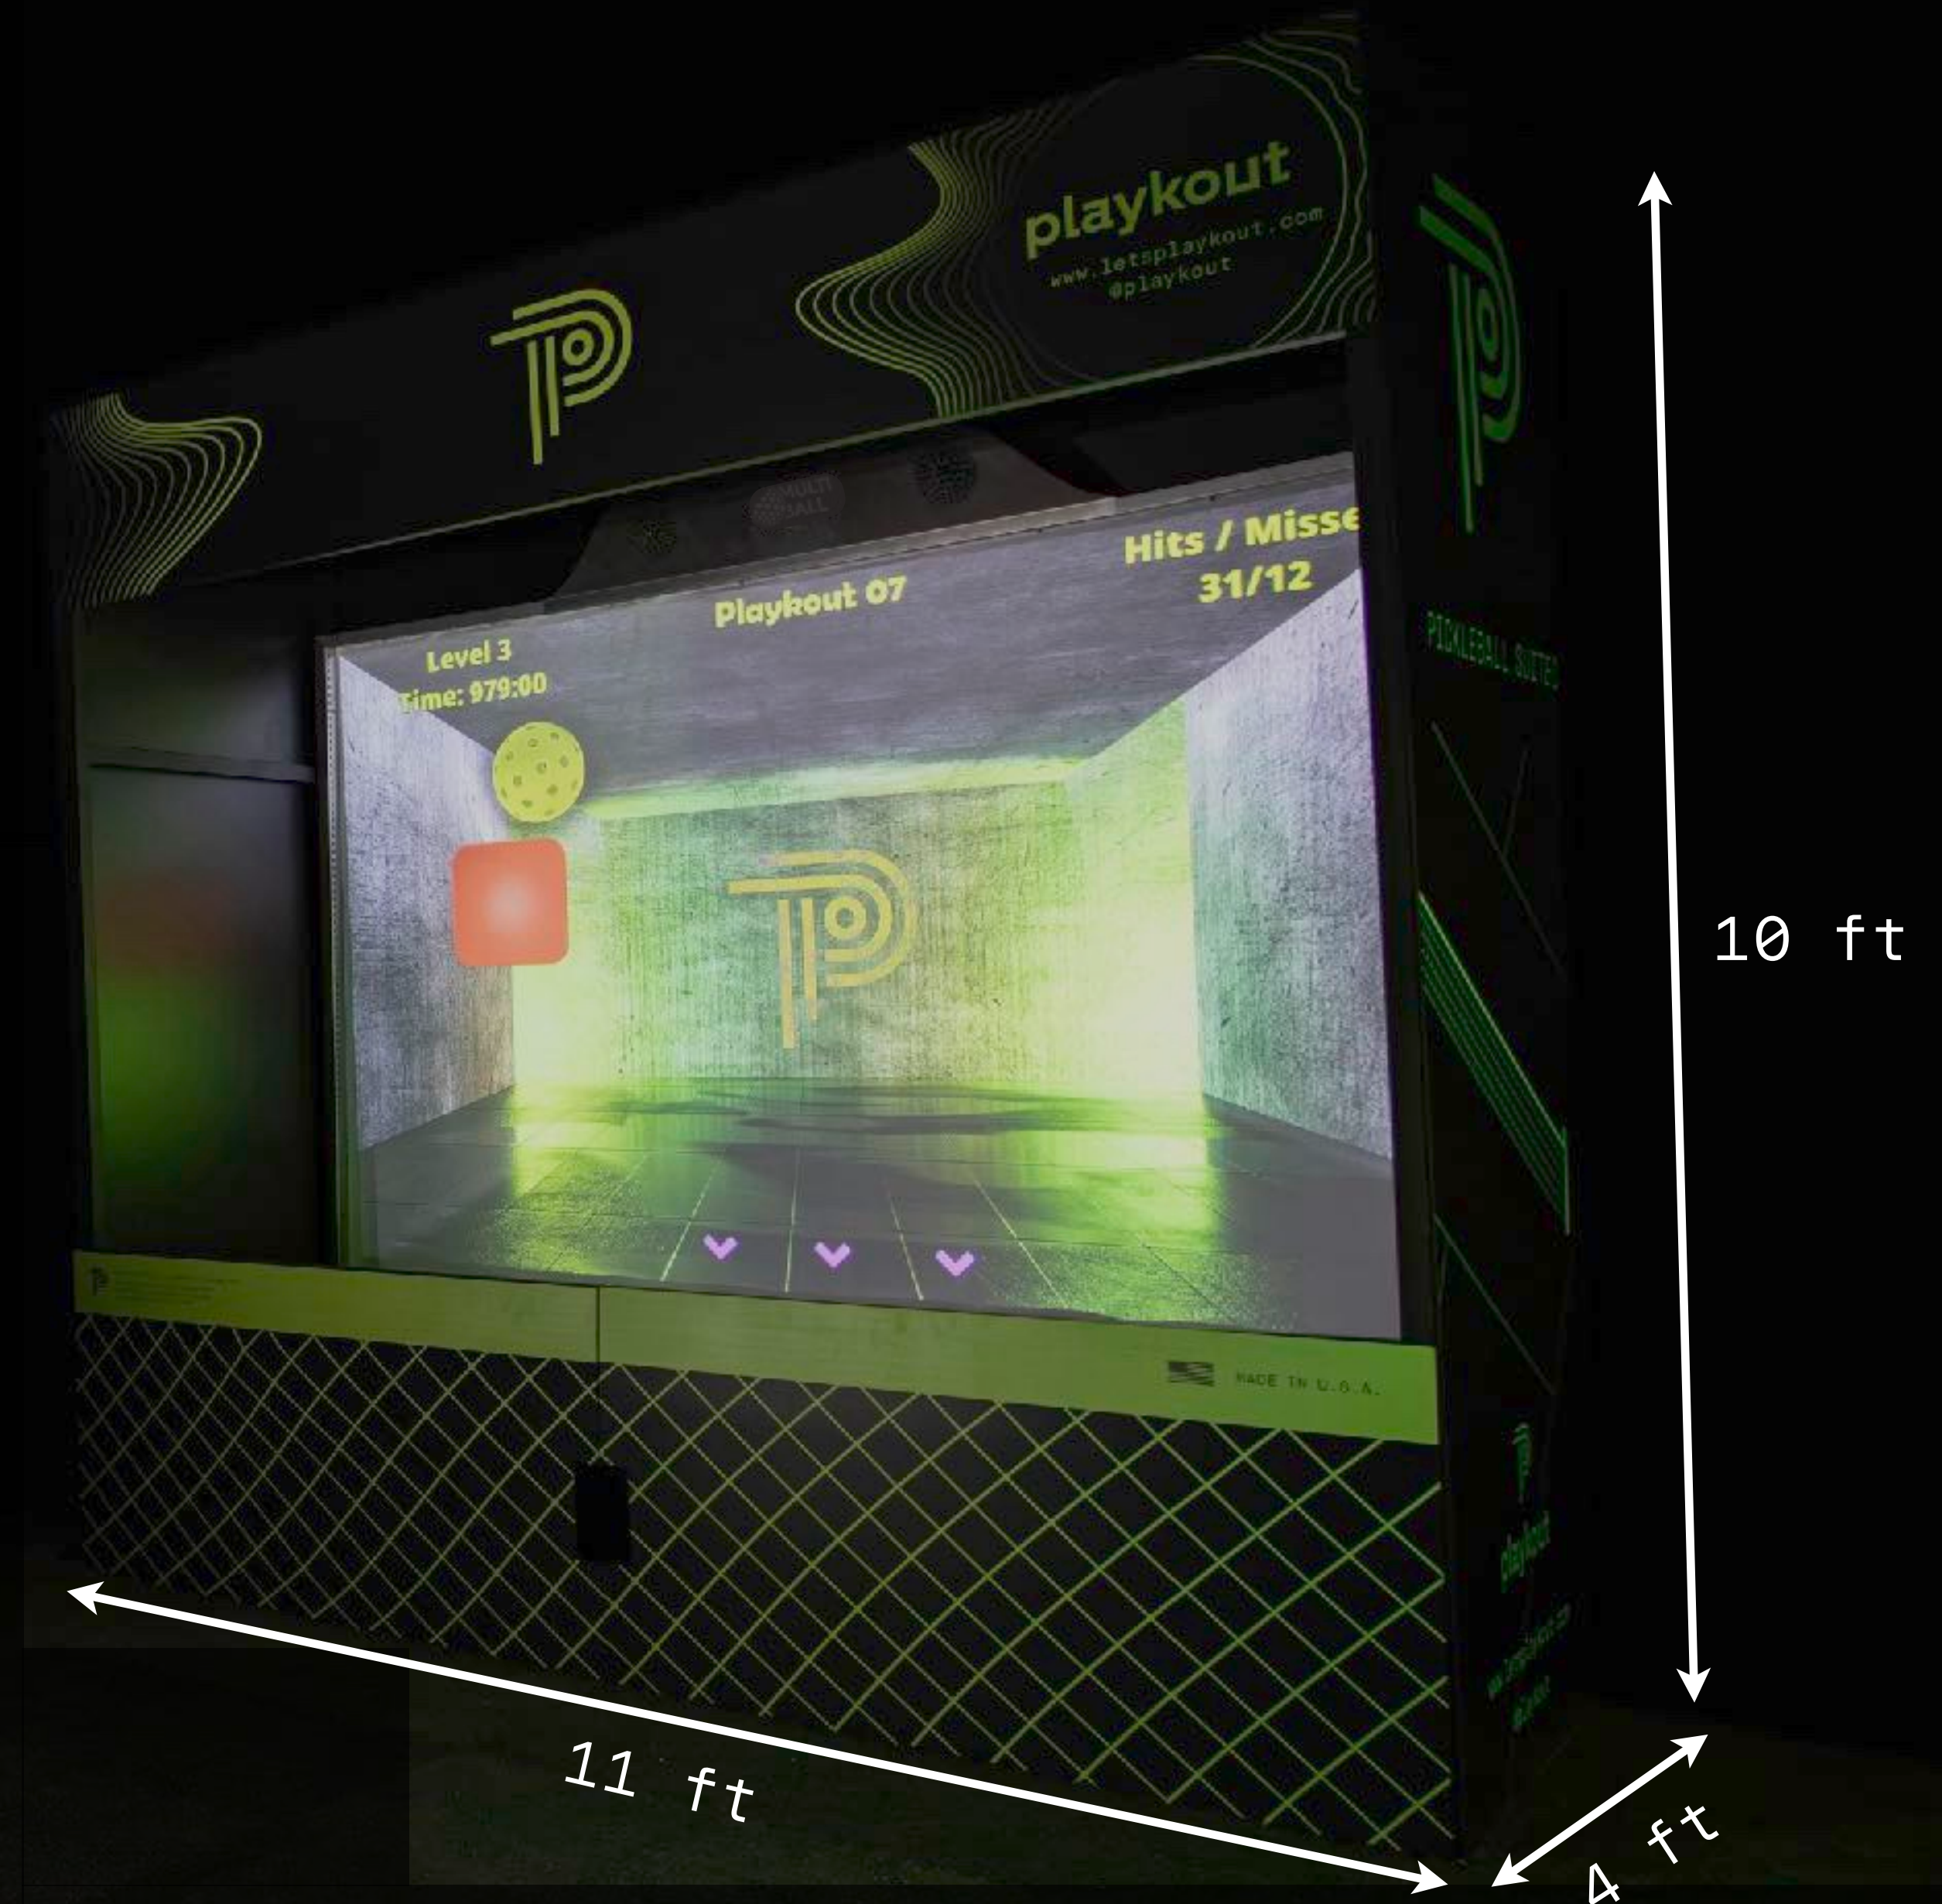

- First-of-its-kind racquet sports system that fits almost anywhere.
- A gaming experience that puts people in motion. Keeps players engaged regardless of skill level.
- Real-sport feel, designed for solo sessions or social play with friends.
- Multi-use: entertainment, events, training, fitness, and more.

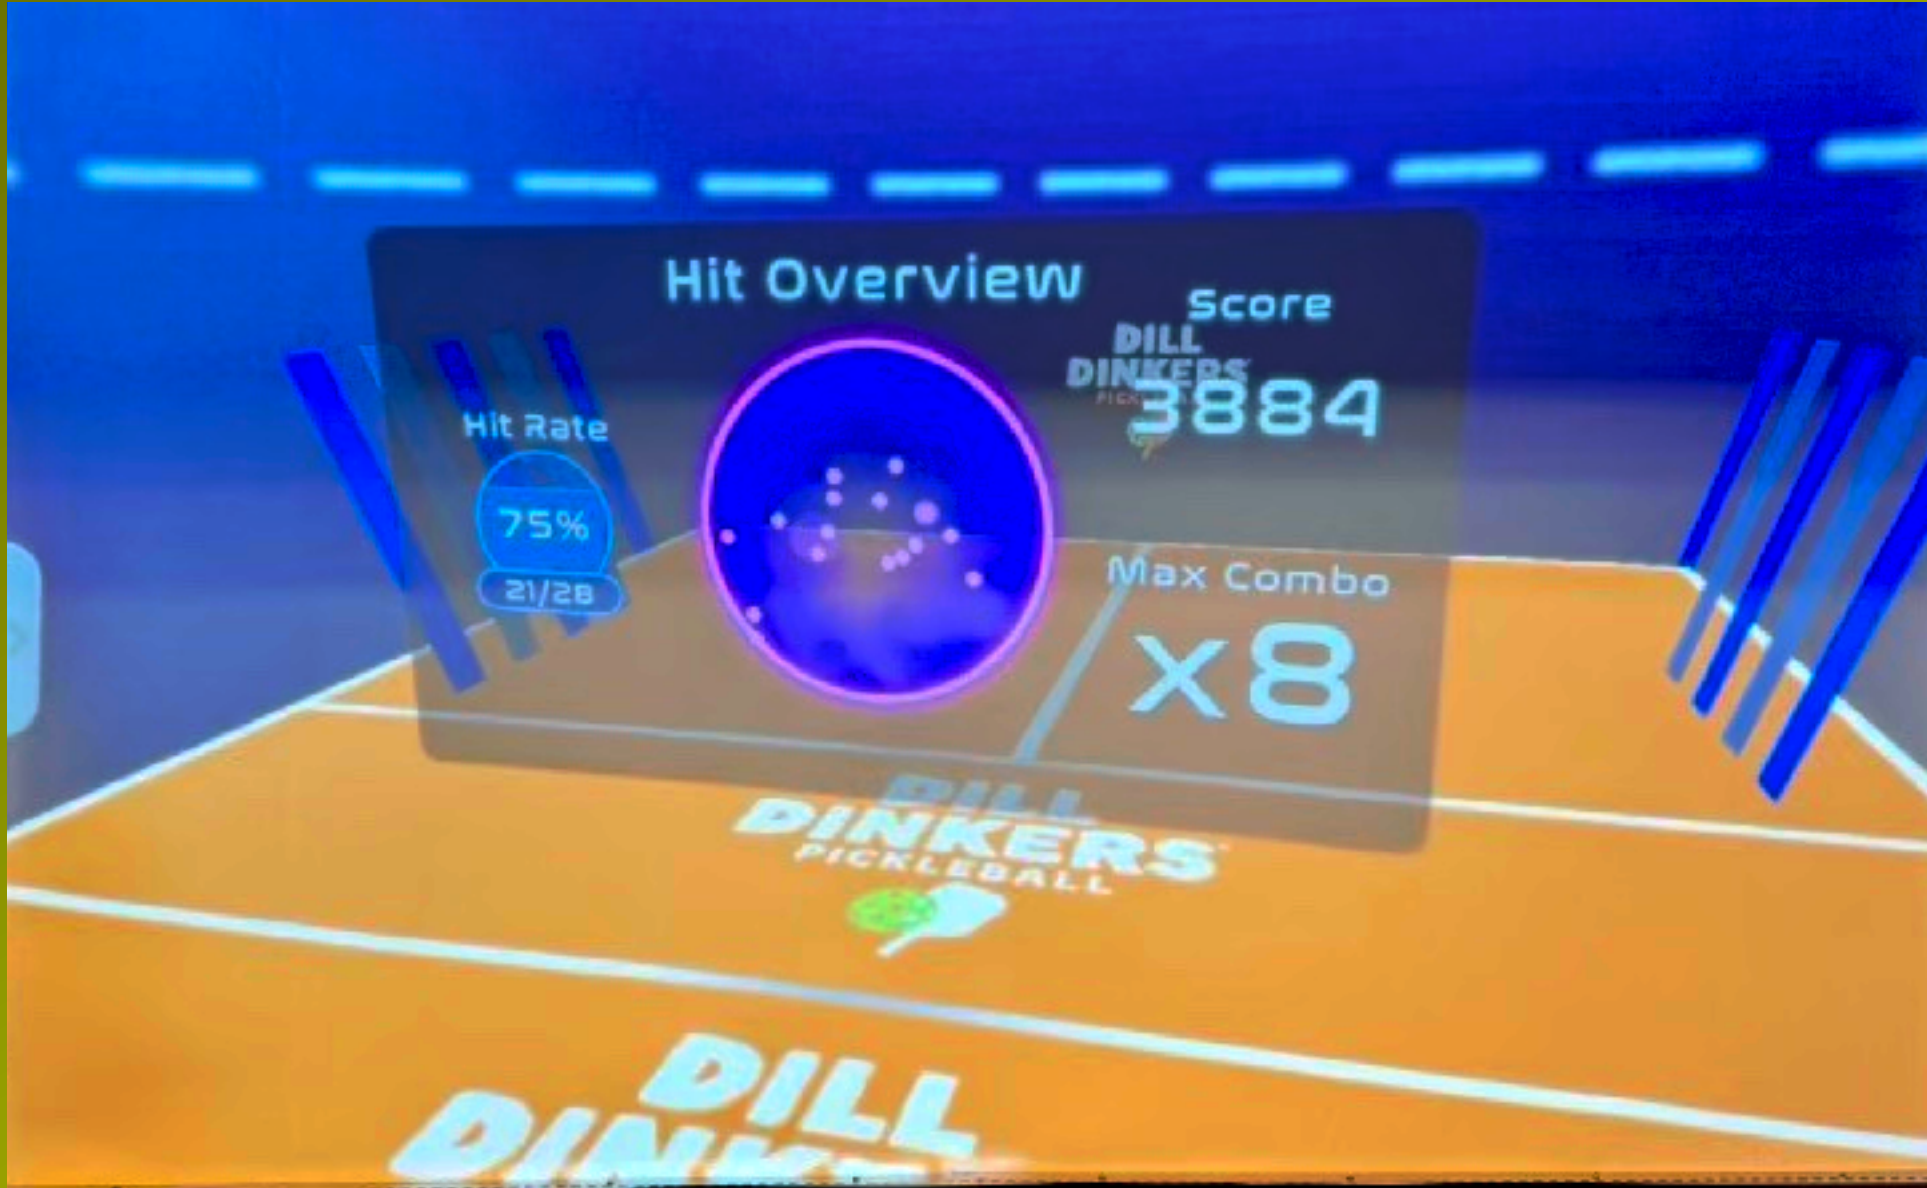

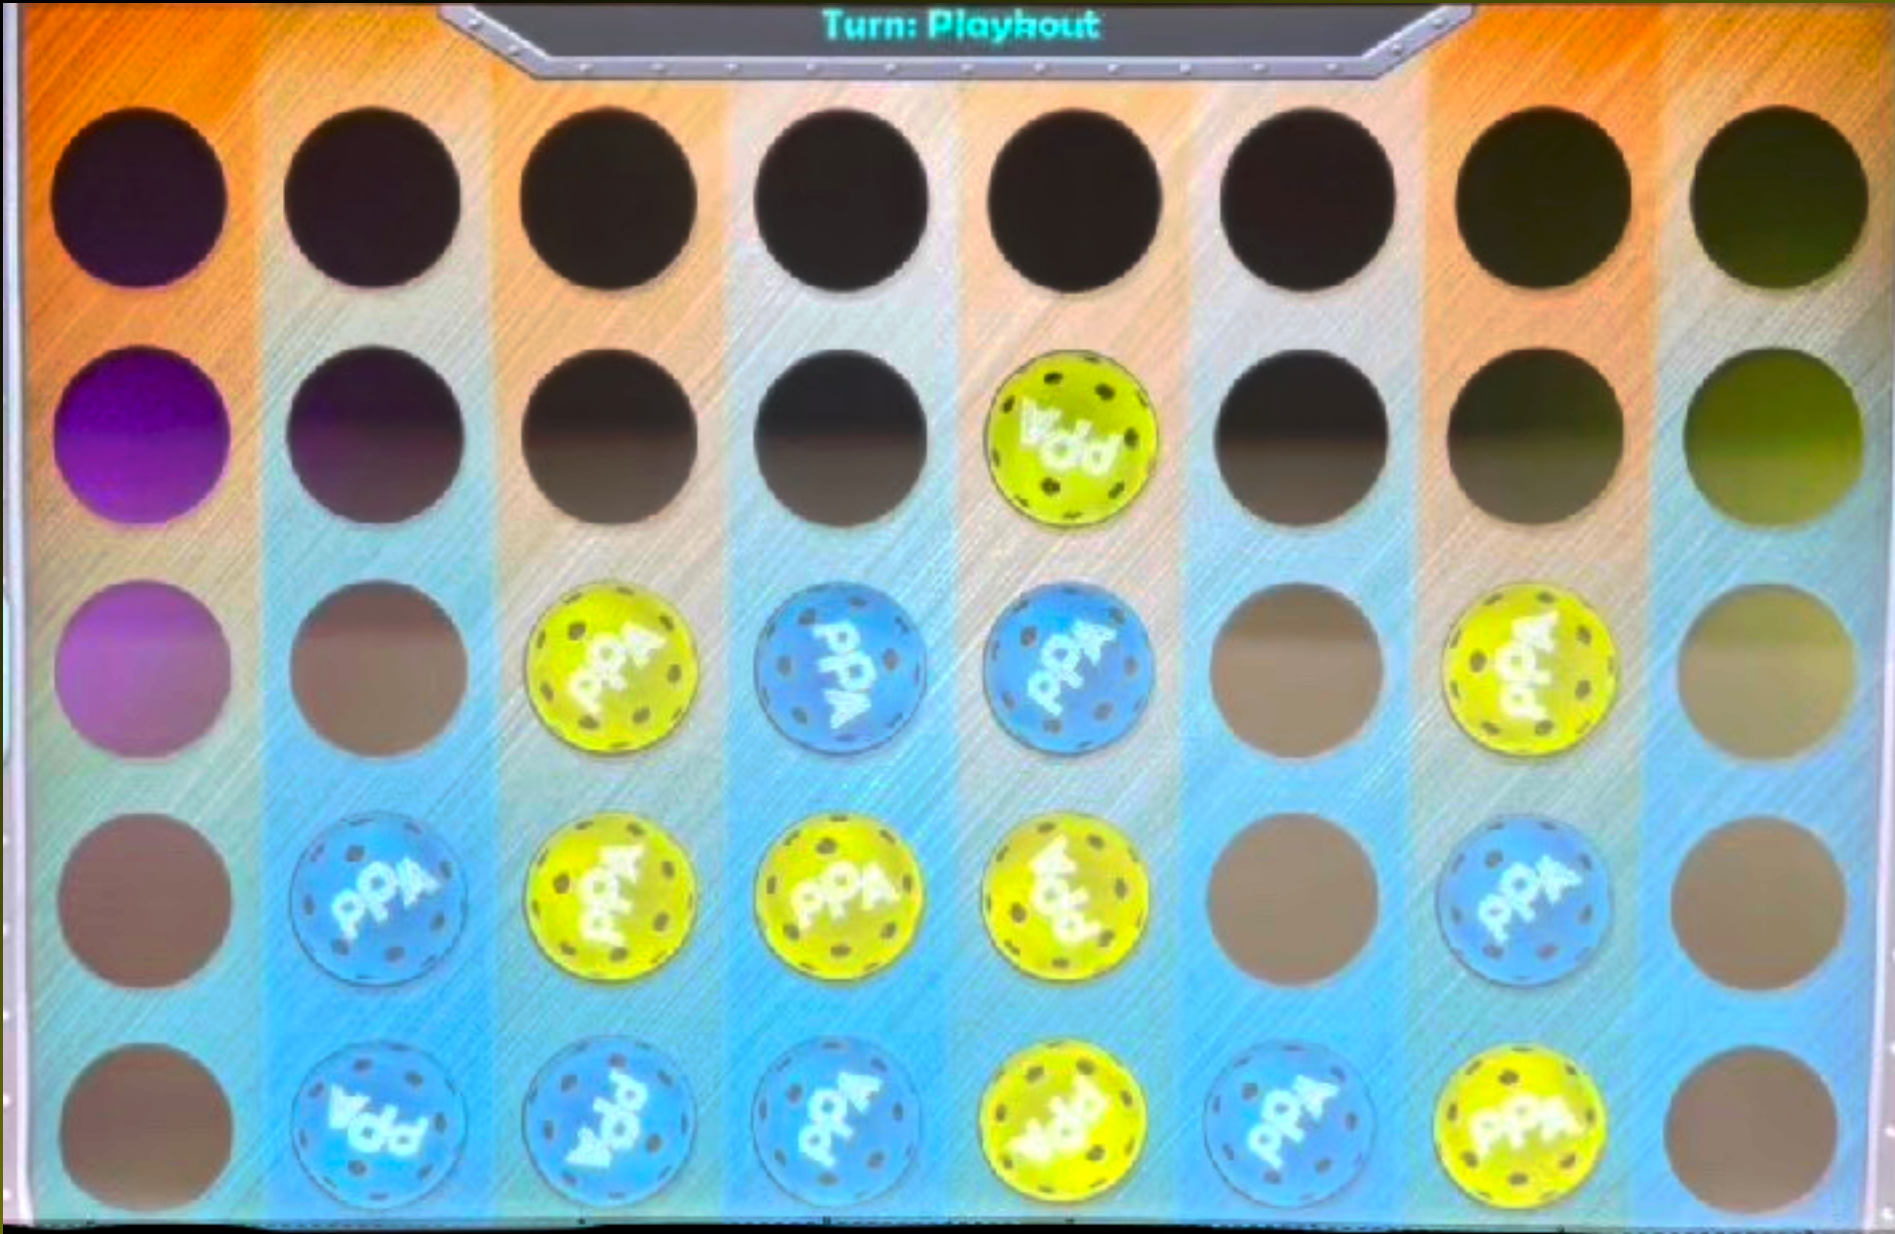

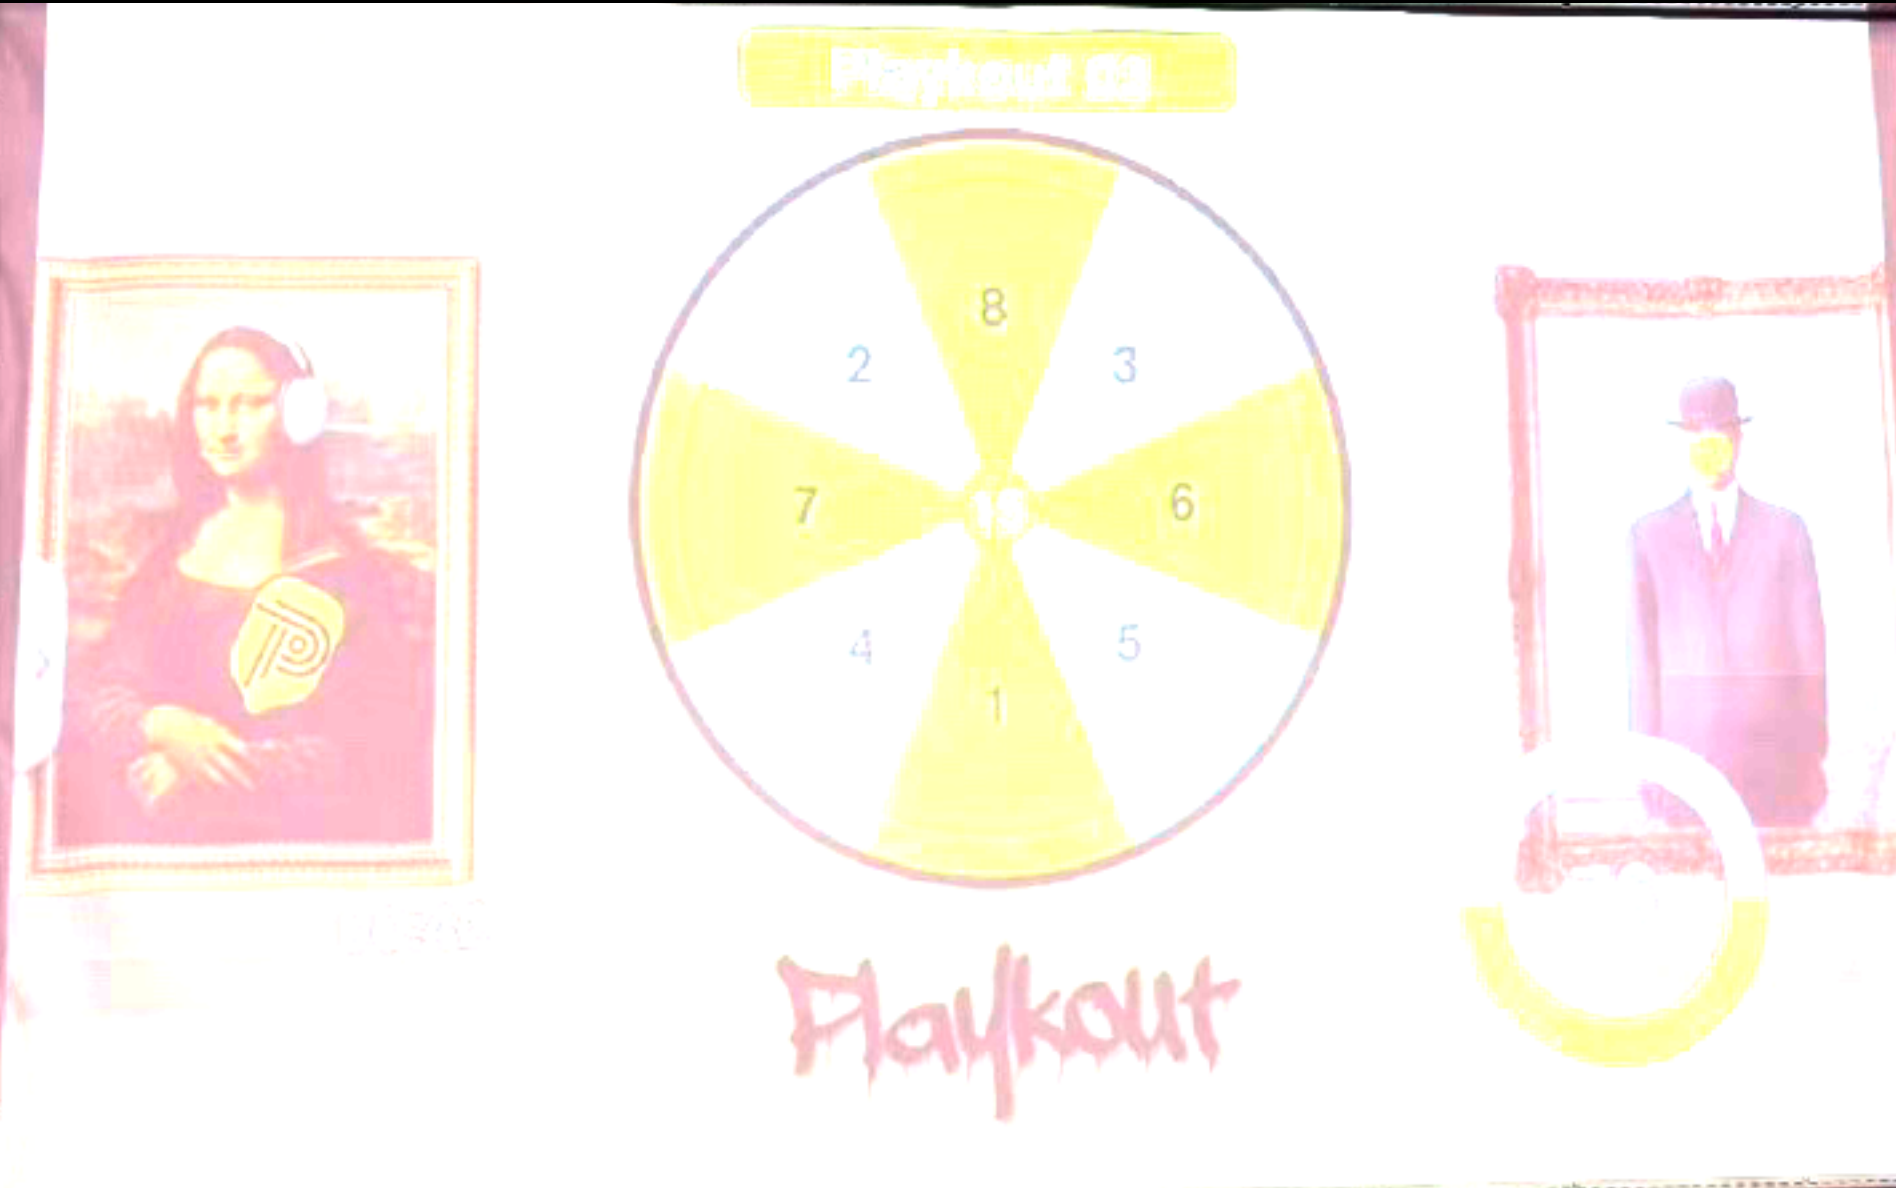

TECHNICAL SPECIFICATIONS

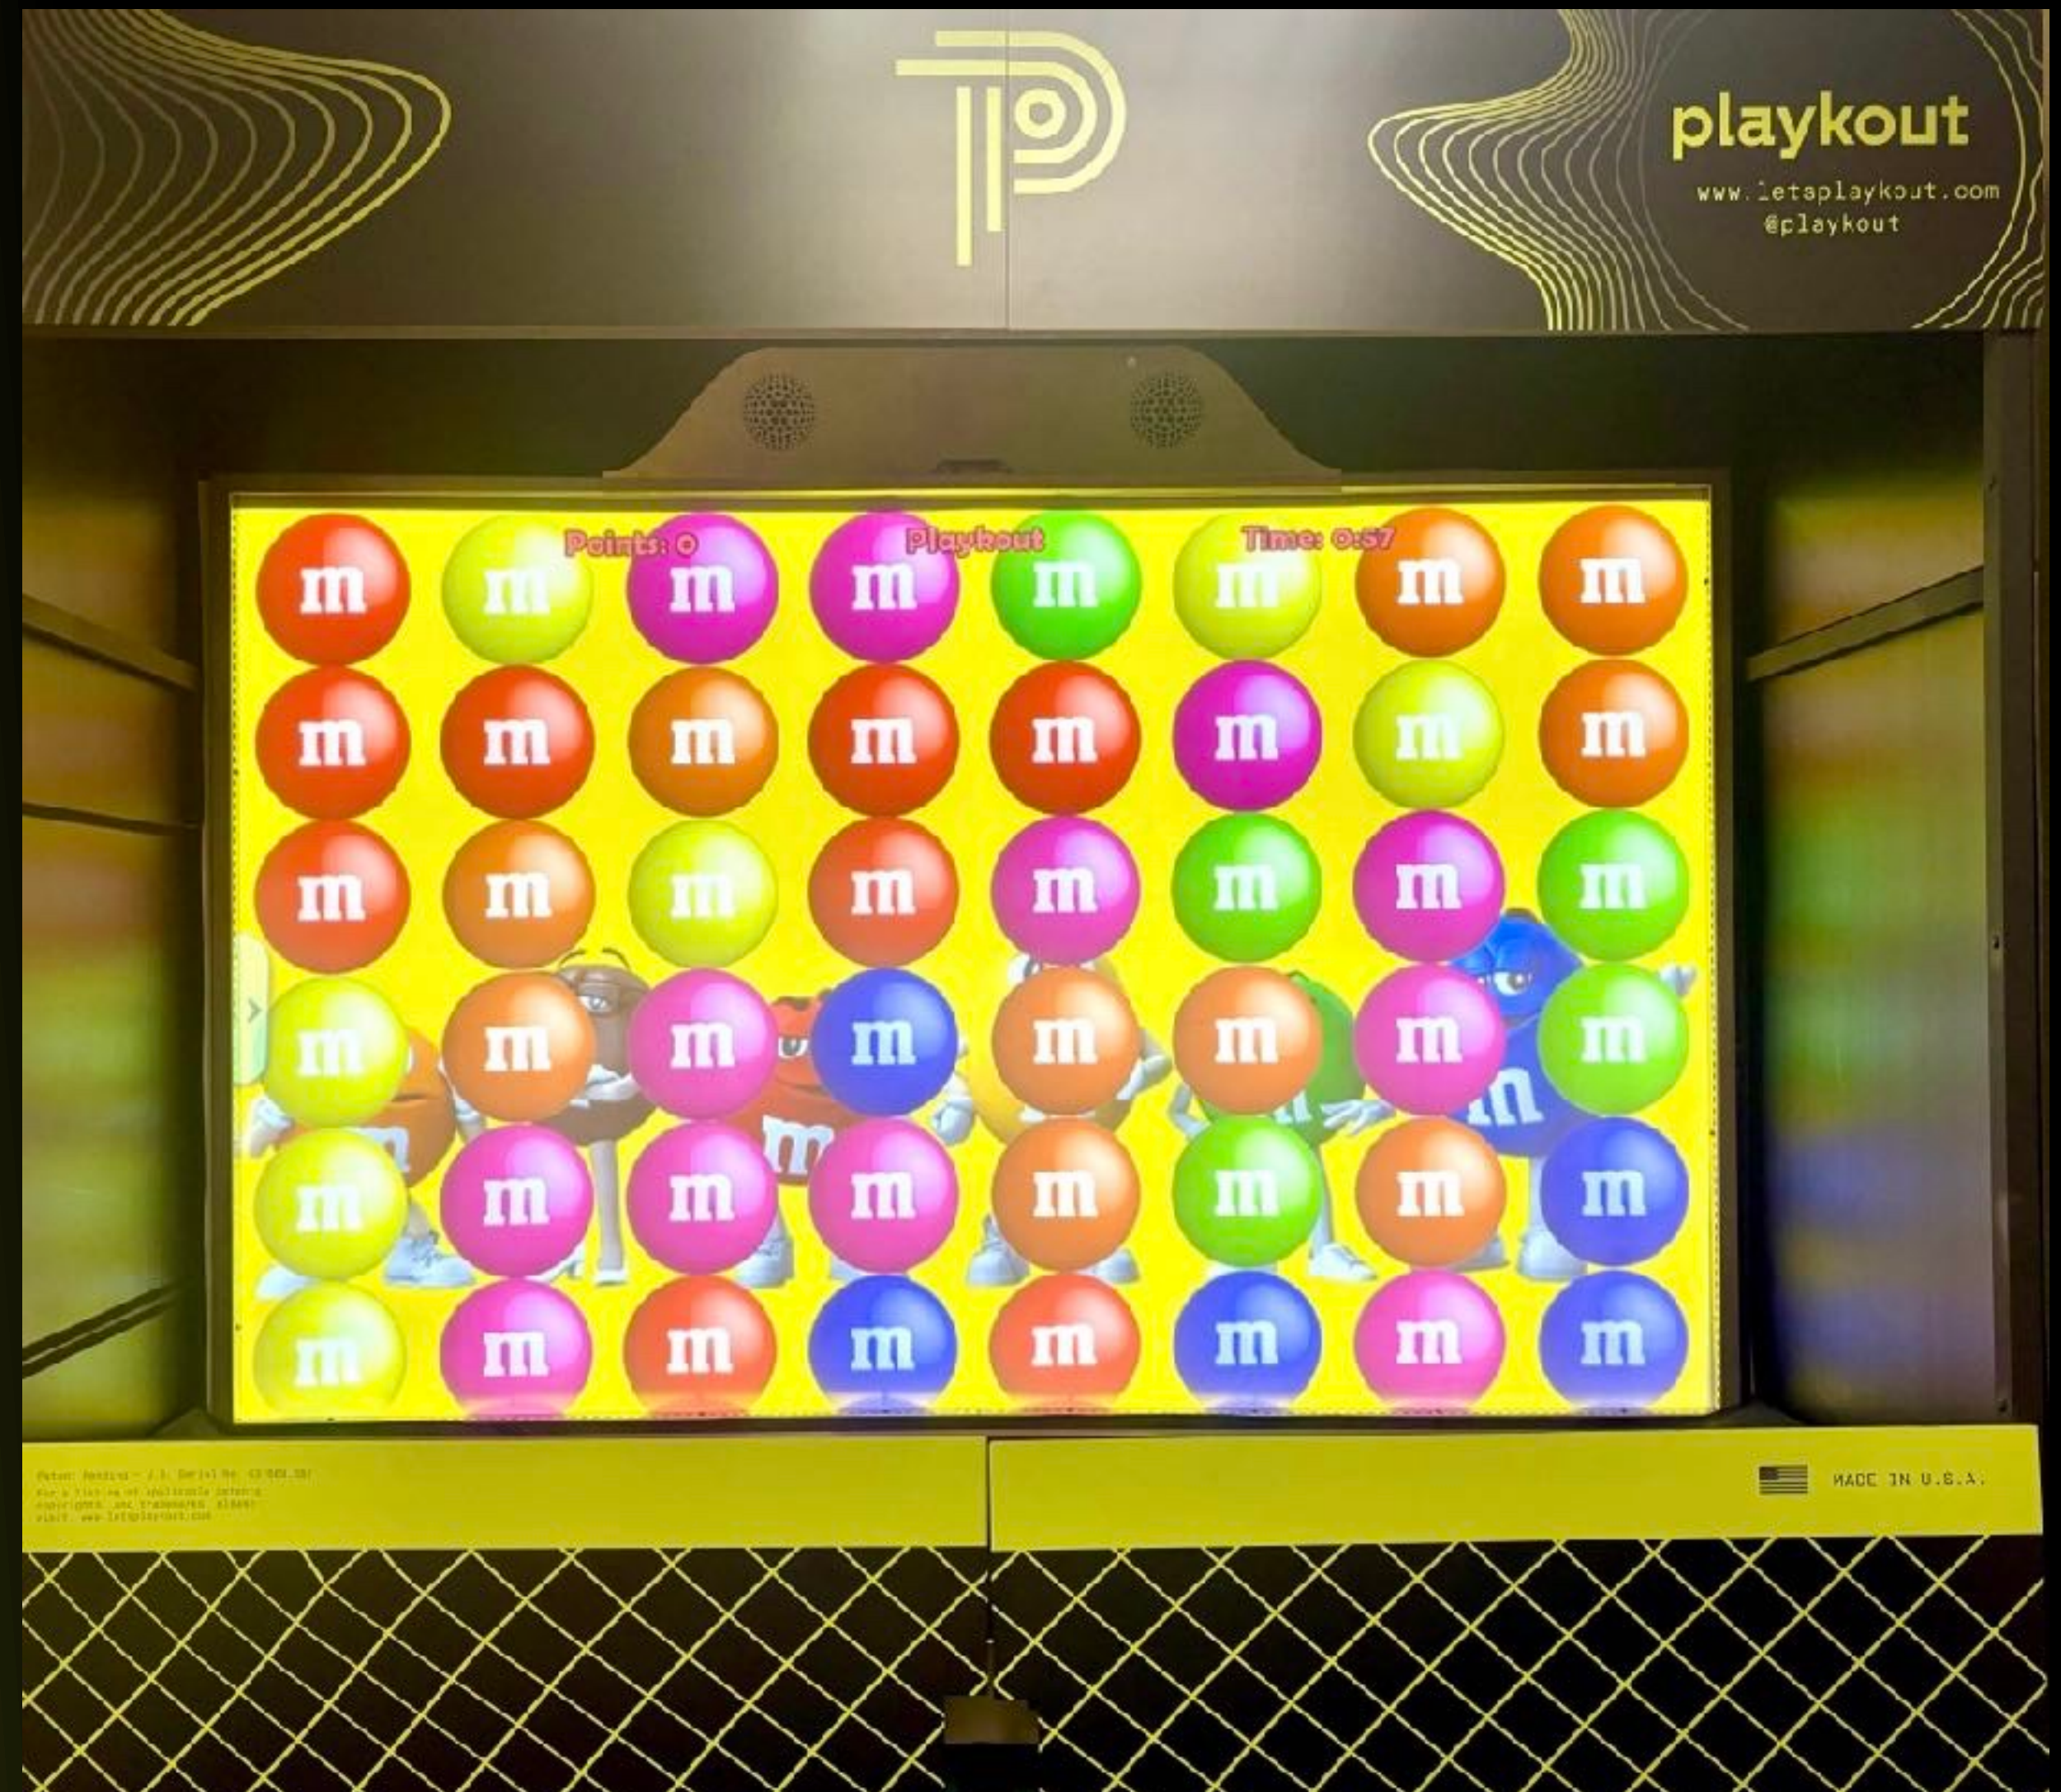

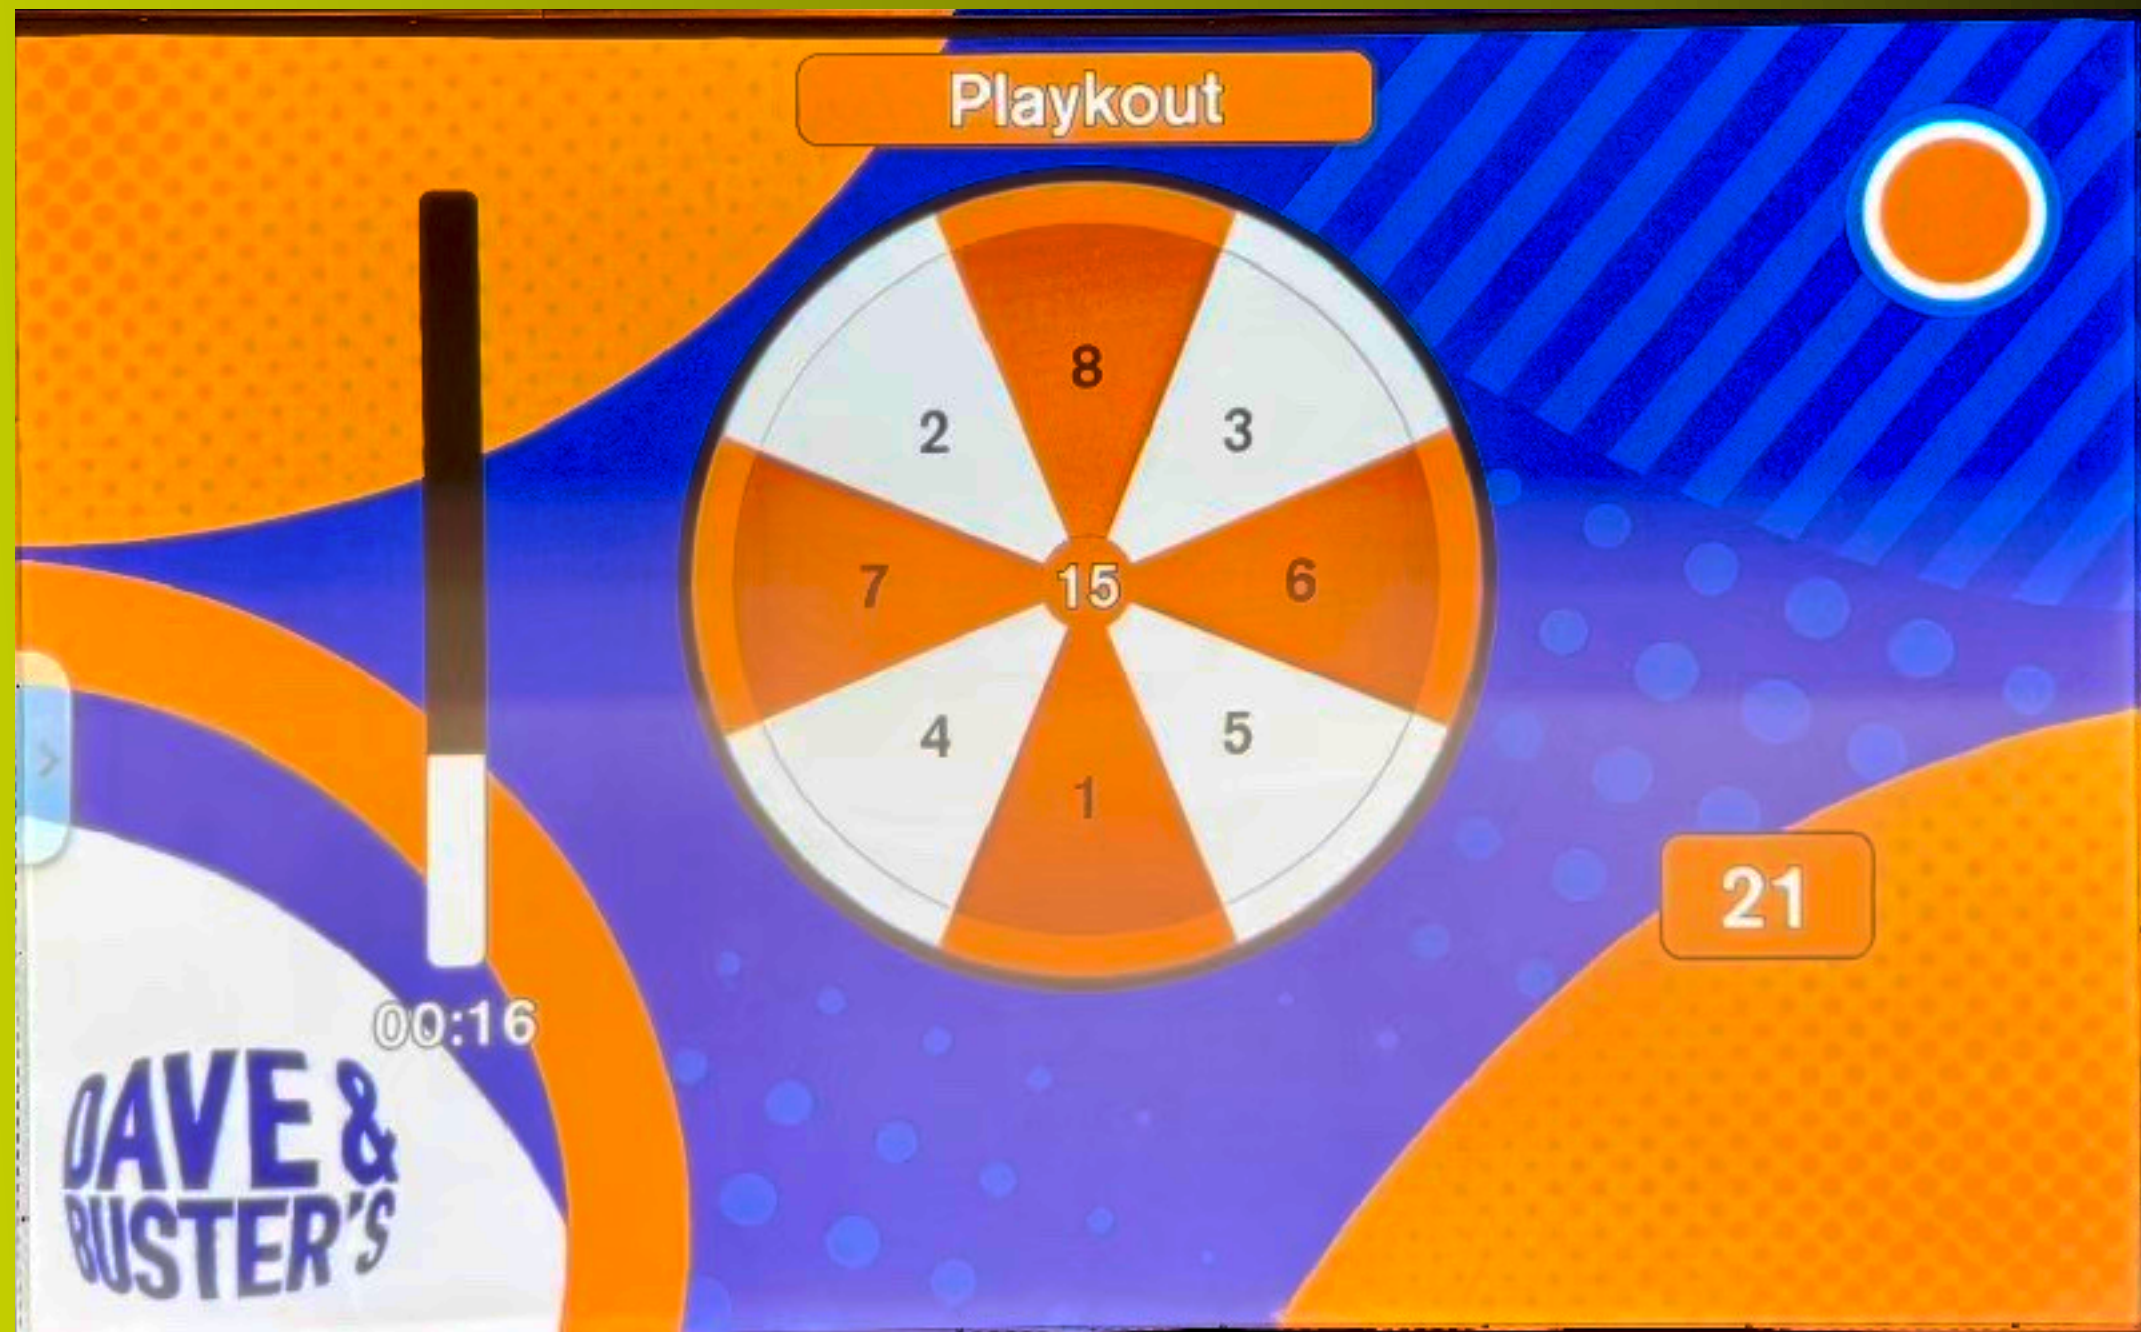

- Minimal footprint. Maximizes revenue per sq. ft.
- Fully self-service, no dedicated staff required.
- Reliable always-on, low-maintenance operation.
- Turnkey install in one single day.
- Runs on standard 110V power outlet and WiFi.

*Takes up less space than a ping pong table.
Only one tenth of a pickleball court.*
