

# PYRAMID SCHEME

## A DARK ESCAPE GAME

# 5 MINUTE ESCAPE CABINETS

A truly immersive experience that blends HAUNTED HOUSE scares, ESCAPE ROOM thrills, and ARCADE action, *yet requires no attendant!*

Up to (3) players are locked inside and have five minutes to solve the puzzles and stop the mummy from rising again!

*Players may end the game and exit at any time.*

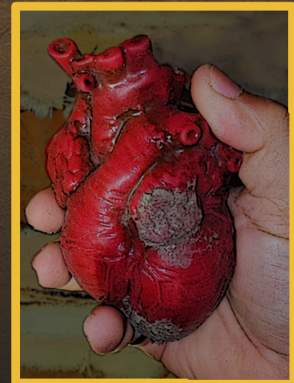

Durable and self-resetting puzzles, along with plug and play replacement parts, and annual "EXPANSION SCENARIOS" ensure continued replayability.

Themed external "Attract Monitor" displays real time video of the players inside during gameplay. Compatible with all card reader systems.

Optional "Redemption Mode" included and "Dual Language" upgrade available.
