

YOU'LL BE COOL ALL YEAR WITH ICE TOUR FROM TEAM PLAY!

ICE TOUR is a cool challenge from Team Play Inc. that'll have players cheering while you score BIG!

This 2-player race to the top will have players lining up to test their skills as they navigate the field of penguins, trying to keep them from scoring a goal.

The gameplay is simple, use the joystick to move the ball up and down while avoiding the hockey sticks to reach the top goal.

That 'Oh so close' feeling keeps players coming back again and again for 'One more try'. The beautiful marquee and eye-catching light show will have players skating across the location to come score!

TEAM PLAY SHOOTS AND SCORES!

Your location will be bringing in the earnings while players are doing their best to score on these pesky penguins!

Team Play hit the back of the net with this 2-player redemption skill game, which has players sweating as they try to score one more goal.

GAMEPLAY

Players use the joystick to move the ball up and down, while racing to the top to beat the timer and score a goal while not get knocked down by the fast spinning penguins. Passing each penguin gets more difficult as they spin faster, while earning you more tickets. Reaching the button on the top earns you the ice cold jackpot!
