

Thank you for purchasing a Pop-A-Shot Elite! To register your machine(s) and gain access into the operator admin portal, please send the following information to [Ben Pollard](#) at Pop-A-Shot:

1. Your Machine's Six-Digit ID

Located in the bottom right-hand corner of the Main Menu

2. The Pop-A-Shot Username of Your Elite's Operator

This username will allow Pop-A-Shot to assign the machine to them, giving them the ability to track earnings, customize the "splash" screen, etc.

3. Location of the Pop-A-Shot Elite

If the machine is in a public location, we will add it to the "Find Pop-A-Shot Elite Locations" page on the Pop-A-Shot website.

Please note, if you already have operator admin portal access, Ben Pollard (benjamin@popashot.net) will still need your information to assign your new machine(s) to you.
